

MEDIA RELEASE
For Under One Sky Camps

We are inviting the Asheville area media to camp one morning during the eleven-day 'Summer Intensive' session. They will be briefed before they arrive, scheduled to arrive at a designated time and supervised while they are at camp. Through these efforts, we hope to accomplish the following: (1)raise awareness for the need to adopt youth who are waiting (2)raise financial and in-kind support from the community.

If you think your youth would be appropriate and enjoy this type of experience, please fill out this form and return with the registration form. We will only select youth who are clear for adoption and they will be accompanied at all times by the staff of /Under One Sky. Thank you.

I hereby authorize Under One Sky, Inc. (Campaigns for Kids and Under One Sky Camps) to allow this youth to be interviewed and/or photographed during a scheduled and supervised interview with representatives from the media.
