

PHOTO RELEASE
For Under One Sky Camps

We will be photographing and interviewing your youth on audio equipment while at camp so that Under One Sky and you may use the photographs and audio recordings in child specific recruitment efforts. We would also like permission to use their photographs and interviews in some of our promotional and recruitment materials. (We will only use photographs of children who are clear for adoption for these purposes.) Please fill out this form and return with the registration form. Thank you.

I hereby authorize Under One Sky, Inc. (Campaigns for Kids and Under One Sky Camps) to use this child's photograph, quote, drawing or voice recording in your public education/awareness recruitment efforts and/or in your promotional materials, which feature children in foster care who are waiting to be adopted. I understand that examples of their use may be brochures, flyers, posters, display boards, billboards, church bulletin inserts, newspaper, video, radio, television or other electronic media. I agree to hold Under One Sky, Inc. and their subcontractors harmless for the use of said information and/or photographs.
